

GREENS DIRECTORS REPORT

The elements this year have been against us with the extremely dry summer and winter however with the recent rains the course has started to come back to its best.

Your greens committee and volunteers have continued to trim and remove where possible and necessary trees on the course.

Our major works this year have been in installing cart paths. The path on the first was sponsored in the main by Bendigo Bank. Many thanks go to Geoff Edwards, Manager of the Cooroy branch. Our thanks also must go again to Grant Smallacombe and the entire crew who worked tirelessly on this project. Thanks also go to Margie Lucas and Carole Clancy for their gardening skills.

The cart path and replacement of the bridge on the 18th is still a work in progress but will be complete by the end of this month. The work on this was sponsored by the Cooroy Vets. Again, a huge thankyou must go out to all involved in this project.

I would like to personally thank everyone that has in some way donated time and expertise to the continuing improvements of your course.

Brad Lavender

GREENS DIRECTOR
