	<b>Golf Truths:</b>  ✓ If your opponent has trouble remembering whether he shot a six or a seven he probably shot an eight.  ✓ A good drive or putt on the 18 <sup>th</sup> has stopped many a golfer from giving up the game.  ✓ A good golfer is one who is always slightly worse than you are.  ✓ If there is a storm rolling in you'll be having the game of your life.  ✓ It takes longer to learn good golf than it does brain surgery. On the other hand you seldom get to ride around in a cart, drink beer and eat hot dogs and fart while performing brain surgery.
