She waited for him to come home from the golf course to ask him why these things were hidden in his dresser drawer.</p> <p>The husband said, "I'm sorry I hid this from you but the truth is every time I cheated on you over the last 30 years I put a golf ball in the drawer."</p> <p>The wife was very upset at first but after thinking about it said "I guess 3 times in 30 years is really not that bad! Oh by the way what is the \$2000 in the drawer.?"</p> <p>The husband replied, "Well every time I got to a dozen balls I sold them."</p>
