New Golf Software and Member Portal Launch

Access

You access the new golf competition management software and online golf bookings through the Member Portal using a secure login.

Simply go to the Member page of our website at www.cooroygolf.com.au and *click* on the **Member Login** link.

We recommend you bookmark the login page for future access.

Your username (login) is your member ID number – the last five digits of your GolfLink number.

Your Password is the day and month of your birthday, for example, if your birthday is 14 May then your Password is 1405. You can change your password after initial login under My Profile.

Member Portal

A successful login presents the Member Portal Home page. You navigate by using either the menu bar at the top or by *clicking* on a home page tile e.g. My Tee Times or Handicap.

The portal allows a member to:

- View and update **personal details**.
- Make an online booking for a **golf competition**. **NOTE:** Social bookings are not available online and you cannot book a hire cart online.
- View their **handicap record**.
- View their **member accounts**. This feature will not be fully operational until we implement the new bar Point of Sales (POS) system early next year.
- View the **BOM weather map**.

We encourage you to review your details under **My Profile** and update information as necessary. You cannot change Full Name or information under the heading Secure Details.

A directory of members is available via the **Member Search** menu bar item. The default setting for 'Directory Privacy Settings' is 'Hidden' – that is, phone number/s and email are not displayed in the directory. If you are comfortable displaying your phone and email detail in the directory, you can change the privacy setting to 'Visible'.

Directory Privacy Settings

You can restrict which of your contact details will be visible to other club members who search for you on the [Member Search](#) page. However, contact details that are disabled fields have been marked as always visible by your club manager.

New Scorecards

The new golf software includes a new scorecard. Players indicate their gross score with a cross in the appropriate box, along with their written gross/stableford score for each hole in the Player area.

If you have picked up, players place a cross in the Pickup box for that hole. Scores greater than 10 may be marked by placing a cross in the +10 box, combined with another cross e.g., mark 2 and +10 to indicate 12.

Please repair your divots and pitch marks. Your position in the field is directly behind the group in front.

In a 4 Ball competition only Player 1 & Player 2 boxes display on a team card. Record the best score by placing an X against Player 1 or Player 2. If both players have the same score both Player 1 & Player 2 boxes can be marked.
