

Cooroy Veterans' Golf Club

LIFE MEMBER – JIM HENDERSON

Jim Henderson joined *Cooroy Golf Club* in 2004 and *Cooroy Vets* not long after. He is a long-serving volunteer regularly putting in many hours to ensure the course is presented at its best. In 2020, *Jim* received the award for volunteer of the year.

Around 10 years ago *Jim* took on the role of Vice Captain of *Cooroy Veterans' Golf Club* with his usual infectious enthusiasm and continues to serve in that role. It is not just about the time *Jim* has served but the way he goes about it, always showing great dedication, never complaining, and always happy to give his time to benefit the club.

When you receive one of *Jim's* enthusiastic greetings you know it is going to be a good day. *Jim* embodies what it means to be a member of the veteran golfer community. There is no doubt his great personality goes a long way to creating the very friendly atmosphere we have amongst our Vet's members.

Jim is the Vets long serving *chief providor* managing catering for host days, Marty's Hut, and sausage sizzle events, often giving up his own game for the enjoyment of others.

As our delegate to the SDVGA *Jim* ably represents *Cooroy Vets* at district management meetings. *Jim's* willingness to put in that extra effort ensures our district host and invitation days are always a success.

Jim has his share of successes on the golf course and regularly appears in the winners lists and on honour boards. Those who play with *Jim* know the hole he enjoys most is the 19th.

Throughout all this *Jim* has always had the support and assistance of his wife *Rose*.

Jim is an outstanding member of *Cooroy Golf Club* and *Cooroy Vets*. In 2021, in recognition of outstanding service, *Cooroy Veterans' Golf Club* awarded *Jim Henderson* Life Membership.
